The Cosmic Law of Compatibility

*Life's Destiny - (A Journey of Unity, Love & Acceptance)

* From whence I came... I am destined to return... but much Wiser, Saint like, more Loving, Angelic in Appearance & Characterizing a Calm Peaceful Presence...

Higher Consciousness & the Cosmic Compatibility Law

- 1/ Each time you enter a higher level of consciousness as a result of Meditation, it is because you have grown spiritually within yourself.
- 2/ It is impossible to enter a new level of consciousness until you have completed the previous or existing level of consciousness.
- 3/ All planes of Higher Consciousness have the Cosmic Compatibility Law incorporated in them, a set percentage requirement that each individual must achieve. If their Being does not meet the percentage required, then the individual will stay in the previous plane or dimensional level, until their learning of that level is complete.
- 4/ The Compatibility process can only be achieved through (Like attracts Like) the Cosmic Law of Compatibility and no other process. The Cosmic Compatibility Law is a Divine Law of God that both Humanity & other Beings are bound to, as also all planes of consciousness.
- 5/ Once we spiritually become compatible to enter a Higher level of consciousness, we find we have to apply a new level of protection. Each level has its own type of protection to be applied. APPLY THE WRONG PROTECTION to the WRONG PLANE and it will not work. This will eventually lead you to a lack of FAITH, confusion, anxiety and hopelessness.
- 6/ WHENEVER YOU GO INTO MEDITATION you must put in place each previous level of protection or the lower levels WILL NOT BE PROTECTED. e.g. (If you have achieved seven levels of Higher Consciousness you must, at the beginning of your meditation, use the required seven levels of protection otherwise any Truth you receive in meditation will be a false-Truth, gained as an illusion of the Truth.)

The more one detaches from self in Meditation, the more one attains God's Truth & Wisdom... when combined with the Cosmic Law of Compatibility.

Expanding Your Consciousness into the Universe & Beyond.

There are many States of Consciousness ranging from God Consciousness right down to an individual's Consciousness. All Consciousness can be accessed within God Conscious Meditation but it all depends on the individual's Spiritual growth with which state of Consciousness they are in harmony & in tune, when Meditating. All states of Consciousness consist of both negative & positive energies, therefore you must protect yourself against each attained level of Inspirational Wisdom otherwise the inspiration you may receive might be an illusion of Truth called a 'False-Truth'.

Solid Gold Cross represents (Christ Consciousness)

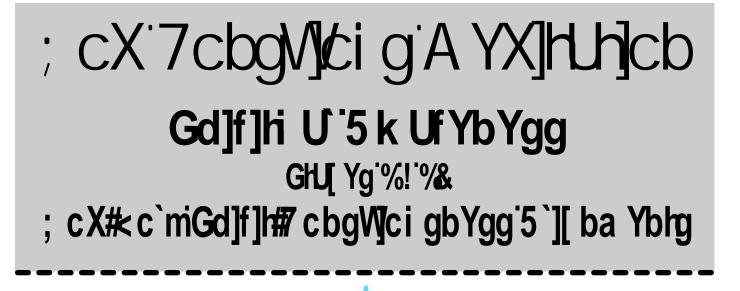

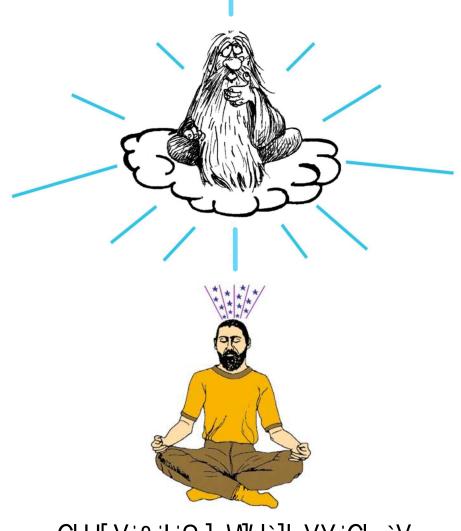

Gold Cross & Gold Mirror Protection

- 1/ See a Gold Cross form in front of your body and see it expand to ^ [` | Á ã ^ Áæ} å AP^ a @È
- 2/ Imagine also standing behind you the same height of your body a solid Gold mirror at least 5cm thick.
- 3/ Bring the Cross towards you until cross and body are merged as one. The mirror will keep and retain your bodies reflection within it. This stops any illusion of the cross not being able to merge with the body. (Gold Cross represents Christ Consciousness)

If you try to push or pull the kundalini up your spine too quickly & over do it, your body will over heat & become uncomfortable, also your body will become stressed. Instead of creating a peaceful & relaxed state of being, you will become agitated & full of anxiety.

- 4/ By applying energy to the silvery blob at the base of your spine, the kundalini will begin to rise at a steady rate, each time you go in to meditation & apply the technique.

Head centre to 3rd Eye, Detachment

Learning about Detachment can be a little tricky. See yourself sitting in a lotus position focusing to the back of your 3rd Eye. Make connection with it to activate it, then drop your focus back a little. This allows you to continue to focus[} it, but not connect with it. You are then Detached from it, but you still have it activated.

Connect to God through your Heart

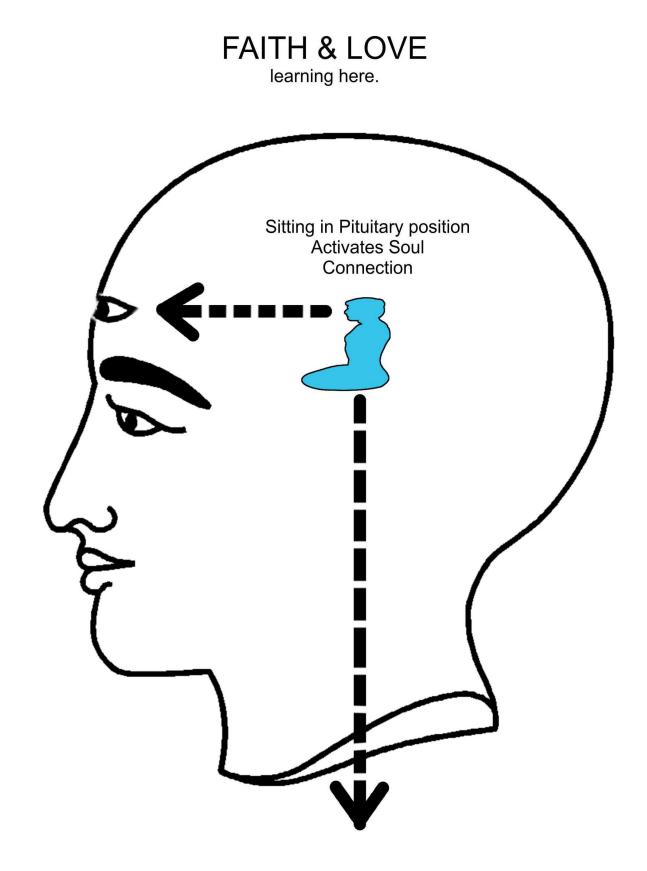

- 1/ Imagine that you are meditating in the centre of your head in a detached state. Keeping Faith that you are still connected to your 3rd Eye, trying also to connect down to your heart.
- 2/ When you have connected to your heart, through Faith, know that you are connected to all three, the 3rd Eye, your Pituitary and your Heart.
- 3/ Being detached from both the 3rd Eye and your Heart. But connected through Faith allows you to connect to the totally of God.

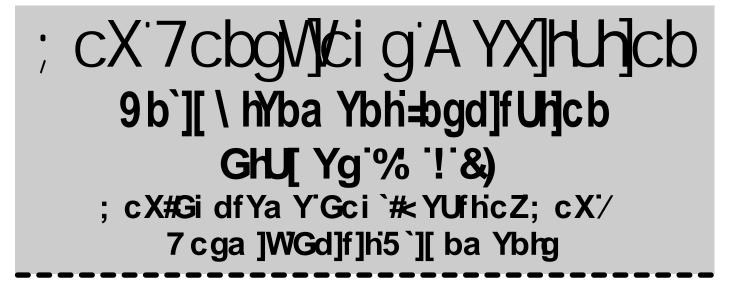

You cannot see God, become atone with God or merge with God, without acting from your heart and having Øæã@Á§ ÁÕ[åĚÖ[ð] * Á[Á ð] Áæ][, Á[ČÁ ¢ Á ^ Á] Á&[• ^ Áæ] åÁÚ^¦•[} æÁ ãœÃÕ[åĚÁ
